Royalty Reigns In NHS

Amid excitement and suspense the royalty of Norman High School was selected. With tears and happiness they became our queens. Being a queen is a once-in-a-lifetime thrill which can come to only a chosen few. The girls thus honored most closely fulfill the dream of an ideal girl. Although they may differ considerably, they each possess the qualities of high character, outstanding ability, and true school spirit. More than this, they have a certain charm and grace which make each stand out as a true queen.

From the theme "Mardi Gras," of the all school coronation, to the enchanting theme "Twilight Time," of the FFA coronation, you became a part of the honors of your school. Representing the entire student body as All-School Queen was Cheryl Craig. Jane Meyer was selected by the athletes from all the sports to be All-Sports Queen. FFA was well represented by Becky Berry. Farrie Young was elected queen by the Distributive Education Club.

The queens for 1964 were Jane Meyer, All-Sports Queen; Cheryl Craig, All-School Queen; Farrie Young, Distributive Education Queen; and Becky Berry, Future Farmers of America Queen.
