Stephen Allen,
I'm writing this
to a very special friend,
whom I think the world of
Hopes our friendship means to you
what it means to me. Love, you're a
wonderful person, and I hope you'll
always remember me. I write you.
Love, Marlene

Steve,
I think you're a real ball
out there and I got to know you
when I was
16 years old.

Steve, I've
been great knowing, and
I hope I can have at least as
many class or reasons to
associate with you next year.
Have fun and God bless
your friends and
family.
Love, Marlene

Steve,

It has really been the greatest
getting to know you these past few
months. You are really one of the
nicest guys around and my very
favorite sophomore boy. I can
hardly wait to meet you next
year. Until then be as good as
possible, 'cause if you don't
many here will let me know.
Stay healthy like you are. I'm
sure you'll never have to worry
about anything. You'll always
have the potential to succeed.
Good luck always,
Carol Blakey
