Royalty Reigns In '66

Selecting the royalty of Norman High School was a very difficult task. But you, the students, chose the four most beautiful queens to ever reign. These four girls all experienced the once-in-a-lifetime thrill of becoming a queen. With poise and integrity, they walked along the halls of Norman High. From the enchanting theme "Golden Realm" of the All-Sports coronation to the beautiful theme "Misty" of the

FFA coronation, the school was filled with overwhelming beauty; only to be equaled by the lovely theme "April Love" of the all-school coronation and the romantic theme "Paris in Springtime" of the DE coronation. With all their radiance, the chosen queens have filled our hearts and fulfilled their part of our A-Go-Go Generation.

NHS royalty in '66 were Nancy Bloomer, All-Sports Queen; Barbara Orth, All-School Queen; Carol Ann Hickman, Future Farmers of America Queen; and Virginia Hames, Distributive Education Queen.
